By Application No. 928, filed March 23, 1976, the Washington Area Mini-Bus Tours (Mini-Bus) seeks authority to supplement its tariff, pursuant to the provisions of Title II, Article XII, Section 5(e) of the Compact. Mini-Bus seeks to supplement its tariff by adding an evening tour to its current special operations sightseeing service. See Order No. 1449, served August 1, 1975. The proposed supplement does not set forth an effective date.

The evening tour would involve a lectured tour of Washington, D. C., including views of the White House, Library of Congress, Supreme Court, Senate and House office buildings, National Gallery of Art, and stops at the John F. Kennedy Center for the Performing Arts, Lincoln Memorial and the Reflecting Pool on the Mall. The tour also would include views of the United States Marine Memorial and the Pentagon in Northern Virginia. The tour encompasses approximately three hours. For an adult the fare would be \$10 and for a person under the age of 12 years the fare would be \$5. The proposed supplement sets forth a service within the authority granted Mini-Bus.

The Commission believes that the proposed supplement should be approved. See Compact, Title II, Article XII, Section 6. The Commission shall direct that the effective date of Mini-Bus' Supplement No. 1 to WMATC Tariff No. 1 shall be April 11, 1976.

THEREFORE, IT IS ORDERED that the tariff supplement
